November, 21st. 2023

Yunnan Lorraine Aromatic Products Co., Ltd.

Geranium Oil

Geranium oil: There is basically no distillations during this period of time, which will start by about December. The price of Geranium oil is low this year thus farmers are unwilling to sell. The planting areas have also decreased. Prices change weekly and have recently shown a slight upward trend.

Botanical Name

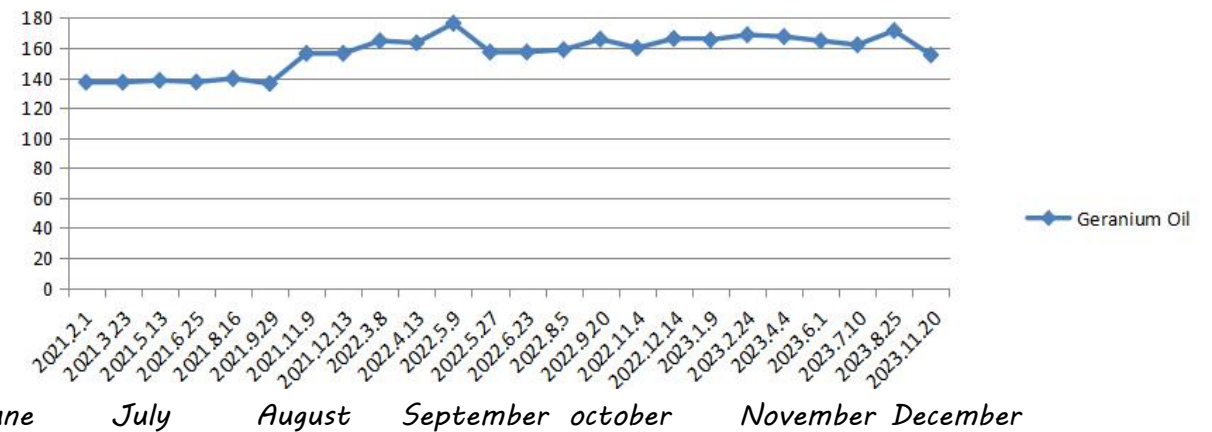

Pelargonium graveolens LHerit

Cas No. 8000-46-2
